

Uh oh....an unexpected expense has occurred!

One of your children has an infected tooth and has to see the dentist. The family doesn't have dental insurance. In order to get the child the dental care, the family must give up 2 tokens.

Please remove 2 candies from the game board.
Adjust your choices as needed.

Uh oh....there has been another change!

Your spouse has just been laid-off without severance pay.

Please remove 4 candies from the game board.

Adjust your choices as needed.
