# BACKPACK BUILD

## SET UP A STUDENT WITH WHAT THEY NEED TO SUCCEED!

The yearly cost of a new backpack and school supplies can be a significant financial burden for many of the families we serve. By supplying fresh backpacks and supplies, we can help students focus on their studies and reach their full potential. These backpacks will be distributed to students and families at Title I schools and through our nonprofit partners in greatest need.

### BACKPACK CONTENTS:

- ✓ Backpack
- ✓ Mechanical Pencils
