# BOOK-IN-A-BAG ACTIVITY

## INSPIRE LIFE-LONG LEARNERS

Lend us your creativity and bring books to life for kids.

Learning to read is the most important milestone in a child's education. A child first learns to read and then reads to learn throughout their life. Still many kids miss the chance of becoming strong readers.

### JOIN US TO MAKE A DIFFERENCE!

Team-up with coworkers, friends and family and create a book-in-a-bag! Valley of the Sun United Way's Book-in-a-Bag project brings literacy front and center. It combines the nostalgia of a paper lunch bag and fills it with a child friendly book, reading tips for parents and more.

Volunteers will bring a book to life by decorating the lunch bag with book-inspired characters and words of inspiration.

This unique volunteer project builds home libraries for local kids.
