HYGIENE KITS

SUPPORT INDIVIDUALS IN THE VALLEY BY CREATING HYGIENE KITS!

Thousands of individuals in Maricopa County experience homelessness on any given day. Many are facing homelessness for the first time, potentially due to job loss, home foreclosure, medical bills, or other circumstances. Others have been homeless for years, either continuously (chronic) or in multiple periods, and often have a disability

PREPARE KITS WITH A GROUP:

Distribute essential personal care items to individuals experiencing homelessness, helping to improve their overall well-being:

- ✓ Soap or body wash
- ✓ Lip balm
- ✓ Shampoo
- ✓ Conditioner
- ✓ Toothbrush
- ✓ Toothpaste
- ✓ Period products
- ✓ Lotion
- ✓ Deodorant
- ✓ Comb
- ✓ Hand sanitizer
- ✓ Washcloth
- ✓ Socks
- ✓ Nail clippers

The kits will be distributed across Maricopa County, ensuring they reach the individuals who need them the most.
