SNACK PACKS PROGRAM

Food insecurity is a pervasive issue that impacts health, education, and financial stability. In fact, one in five children in our community faces hunger and uncertainty about their next meal.

To combat this problem, our Snack Pack program distributes nutritious and healthy snacks to schools, grassroots organizations, nonprofit partners, and other community beneficiaries.

These snack packs include items, such as:

- ✓ Fruit snacks
- ✓ Applesauce
- ✓ Raisins
- ✓ Goldfish crackers
- ✓ Oatmeal
- ✓ Pretzels
- ✓ Granola bars
- ✓ Trail mix
- ✓ Fruit bars
