

UNITED IS THE WAY™

To Food Security

Valley of the Sun United Way brings people and partners together to help families access nutritious food, immediate support, and long-term resources that strengthen health and stability in our community.

Valley of the Sun
UNITED WAY

UNITED IS THE WAY™

To Economic Mobility

Valley of the Sun United Way connects neighbors with education, financial tools, job training, and community resources that open doors to stability, independence, and a stronger future.

UNITED IS THE WAY™

To Early Literacy

Valley of the Sun United Way supports young learners by expanding access to early education, reading resources, and caring community support so every child has the chance to learn, grow, and succeed.

UNITED IS THE WAY™

To Housing Security

Valley of the Sun United Way works with local partners to connect individuals and families to shelter, housing support, and services that help create safety, dignity, and a path toward lasting stability.

UNITED IS THE WAY™

To Stronger Communities

Valley of the Sun United Way brings people, partners, and resources together to create lasting change. From helping families access food and stable housing to supporting early learning and pathways to financial independence, United Way works across the issues that shape daily life—so every one has the opportunity to thrive.
