# A LIFETIME OF INVESTMENT IN VALLEY OF THE SUN UNITED WAY

We appreciate the generous support of our donors who invest in solutions to the most pressing issues faced by our community. These gifts provide us with the flexibility to work in partnership with nonprofits, schools and other community-driven organizations to meet the urgent and long-term needs of children, families and individuals, while also building equitable, sustainable and systemic change throughout our community.

Valley of the Sun United Way is proud to recognize the philanthropy of our most loyal and generous donors who choose to financially invest in our programs and initiatives—and with our nonprofit partners—to make a transformative impact throughout Maricopa County and beyond.

The following acknowledges those donors who have demonstrated their commitment to creating Mighty Change at the highest and most impactful levels. While our Pinnacle Peak Million Dollar Roundtable and Tocqueville Society recognize lifetime and annual giving throughout our community, the donors featured in our Four Peaks, Estrella Mountain and Piastewa Peak giving circles are distinguished by their direct support of Valley of the Sun United Way.

“I know this community really well, and I can tell you that United Way’s role has never been more important. We must never underestimate United Way’s value in convening people and organizations from different sectors and diverse views to solve tough issues. In today’s society, it’s much easier to create division than collaboration. Yet, United Way does it day in and day out.”

## WE THANK YOU FOR YOUR DEDICATION

We are grateful to our donors for their generosity and leadership in creating a community where every child, family and individual is healthy, has a safe place to live and has every opportunity to succeed in school, in work and in life.

Creating Mighty Change is so much greater than any one person or organization – it takes an entire community. And you, our most generous and loyal donors, are who makes this critical work throughout our community possible.

## WE WANT TO HEAR FROM YOU
