HONORING OUR DONORS AND THEIR GIVING LEGACIES

Uniting the Valley for 100 Years

Valley of the Sun
UNITED WAY

A LIFETIME OF INVESTMENT IN VALLEY OF THE SUN UNITED WAY

We appreciate the generous support of our donors who invest in solutions to the most pressing issues faced by our community. These gifts provide us with the flexibility to work in partnership with nonprofits, schools and other community-driven organizations to meet the urgent and long-term needs of children, families and individuals, while also building equitable, sustainable and systemic change throughout our community.

Valley of the Sun United Way is proud to recognize the philanthropy of our most loyal and generous donors who choose to financially invest in our programs and initiatives—and with our nonprofit partners—to make a transformative impact throughout Maricopa County and beyond.

The following acknowledges those donors who have demonstrated their commitment to creating Mighty Change at the highest and most impactful levels. While our Pinnacle Peak Million Dollar Roundtable and Tocqueville Society recognize lifetime and annual giving throughout our community, the donors featured in our Four Peaks, Estrella Mountain and Piestewa Peak giving circles are distinguished by their direct support of Valley of the Sun United Way.

“I believe in this community. That’s why I’ve been part of Valley of the Sun United Way for years. This is the place where the community comes together—businesses, individuals, nonprofits, community leaders—to ensure every person has the opportunity to achieve their dreams in school, in work and in life. I’m proud to call the Valley home, to raise my family here, to serve our race fans, and to partner with VSUW to ensure the community remains strong.”

Creating Mighty Change is so much greater than any one person or organization – it takes an entire community. And you, our most generous and loyal donors, are who makes this critical work throughout our community possible.
